

April 28, 1939.

Dear Fannie:

I am writing to enclose you a copy of the letter from Mr. Fletcher. Please get busy on this, as you can see they would be waiting to take any advantage possible. I left the agreement with Ruth so you would go over it if necessary.

I have the mortgage and bond papers here in Newark, I was to bring them with me to the settlement. I am depending on you to take care of this matter for me.

Yours very truly,
